

Invitation to the 2nd BINGN seminar!

10th until 16th of April 2014 on Skillebyholm

(This seminar is part of the 3 years BINGN apprenticeship program)

In February 2014 the BINGN Apprenticeship program did start with a first seminar in Norway. Now we invite you to the second seminar of the 3 years apprenticeship program.

This time we will focus on the following themes:

- Soil Science, springtime Soil Cultivation (practical examples, tools and machinery),
- Botany and Plant Development,
- History of (Scandinavian) Agriculture,
- Meteorology.

Its spring and we will spend much time outside, visiting farmers and gardeners for to learn with them out of the practice.

We stay on Skillebyholm which is a biodynamic training center south from Stockholm (Sweden). More information you find on www.skillebyholm.org.

The seminar fee will be 2000 NOK including accommodation and all meals. You will sleep in a dormitory together with the other students. PLEASE NOTE: the first year of the BINGN apprenticeship program has no regular fee! You will pay per seminar. You can apply for travel support during the seminar.

Travel details

If you come by train you go to *Järna* or *Södertälje Syd*. (www.sj.se). From *Järna* or *Södertälje Syd* you take the bus to *Skilleby (Södertälje / Hållplats)* (www.sl.se). From the bus station it is about 10 Minutes to walk to *Skillebyholm*. The closest airport is *Arlanda*.

The detailed program as well as details about payment and accommodation you will receive after signing up for the seminar.

Please sign up until the 4th of April via mail to laura@bingn.org.

For further information's about the BINGN apprenticeship program please visit our homepage www.bingn.org or contact us via laura@bingn.org. We are looking forward to hear from you!
